

Kayaniv is a collection of American-designed automatic and quartz watches for the discerning collector. Every watch in our collection has been carefully selected by watch enthusiasts to satisfy the Kayaniv Code of Precision, Durability, and Clarity. Our watches seamlessly blend Swiss horology with precision engineering to create unique timepieces.

Precision, Durability & Clarity

PRECISION

Only the highest quality Swiss Movements are used in every KAYANIV watch

DURABILITY

Surgical grade Stainless Steel, High-Tech Ceramic or Gold are used in every KAYANIV watches

CLARITY

Genuine scratch-proof Sapphire Crystal is used for every dial and for the exhibition case back
